

IN-STOCK “NO-LOFT” PARK MODEL HOMES

AVAILABLE TO SHIP DIRECTLY TO YOUR OWN SITE!

Looking for an affordable WEEKEND GETAWAY or a VACATION CABIN or a PLACE IN THE MOUNTAINS?

This is a great option that can be delivered to your lot now!

New Athens Park Model Homes In-Stock & Available Now For Your Purchase! Manufactured by the Highest Quality Park Model Home Builder in the USA!! Don't settle for less than the Best!

We can ship your Park Model Home directly to Your Site! Very Popular 15' wide Model utilizes the available space better & includes 1 Bedroom, 1 Bath, Kitchen, Living Room (399 sf), open floor plan, full-size kitchen appliances & full-size bathroom shower & toilet, galvalume metal roof, Smart Siding & 6' x 15' covered porch.

Our Park Models are custom-designed & constructed for the snow & colder weather of Colorado! Our units are installed with the maximum amount of fiberglass insulation (floor, ceiling, & walls), tighter trusses for snow load, moisture-proof house wrap, door & window super seal, "energy-efficient" dual pane windows, propane range & a 40,000 BTU propane gas furnace. When it gets cold, we got you covered!

Manufactured beautifully with unwavering dedication to excellence! Built to last! Includes lots of extras! Well-designed, Energy Star appliances, recessed LED lights, ceiling fan, Wood Shaker cabinets, upgraded kitchen, convenient entertainment center (wired for TV in the living room, lofts, bedroom), bedroom built-in dresser, glass shower door, brush nickel pulls & faucets, low flush toilets & low flow shower heads.

Move-in ready but requires hook up to utilities and insulated skirting & steps.
